Methods of Payment

A number of payment options are available:

Direct Debit – PREFERRED OPTION – Fees are automatically paid from your bank account or credit card.

BPay – Payments can be made at any time by calling your financial institution or connecting to your bank on the internet.

Credit Card – We accept MasterCard and Visa. There is currently no fee for using this service to parents.

Direct Deposit – Please contact your bank to make arrangement to pay the fees automatically from your account.

EFTPOS / Cash / Cheque – Payments can be made at the Business Office.

Withdrawal of a Student

One full Term's notice is required in writing to the Principal before a student is withdrawn from enrolment at the College. If the required notice is not provided then an additional fee of up to one full Term's fees may be charged.

Terms and Conditions of Enrolment

The Enrolment Policy and conditions of attendance constitute a contract between the College and parents which is formalised on and by the fact of the first day of a student's attendance in 2017. The 2017 Fee Schedule should be read in conjunction with the Enrolment Policy and other policies available from the College Office or website.

The 25% holding deposit paid at enrolment is held and applied when the student/s exit the Arrowsmith Program.

Accounts are DUE and payable by the relevant due date as per the submitted payment plan. Where a payment plan has not been established then a quarterly payment plan is the default option. It is the responsibility of parents to return the completed Fee Payment Plan 2017 form to the Business Office.

A Late Payment Fee of \$50 per student, per calendar month, may apply if a payment is not received by the College by the relevant due date and families may also be liable for any collection costs. BPay, Cheque, Direct Debit or Credit Card payments which are declined by the bank for any reason will attract the administration fee passed on by the financial institution.

The College may not permit a student to re-enter classes in a new Term when fees remain outstanding.

The College is entitled to withhold a student's results until their outstanding fees are paid.

Parents are responsible for payment for avoidable breakage or damage to school property caused by their child.

If families experience temporary difficulty in paying College fees, please contact the Business Office immediately.
