## EDITORIAL

### Jesus is the Reason for the Season

It works better in the US because we don't refer to Christmas as "the Season". Us Aussies are more likely to call it "Chrissy". We put on our shorts and tee shirts and heat up the "barbie" while watching backyard cricket and looking for a cool drink. The cold of the Northern Hemisphere winter and the hope of a white Christmas is far, far from our minds.

We do family and we do presents, and we eat too much. Maybe some will drink too much as well.

Of course, all that food, drink and presents don't just appear there is planning, shopping, decorating, searching for that just-right gift, cleaning the house and yard for guests, maxing out the credit card and then the big clean up after. Sometimes in the craziness of the season we forget why we give gifts.

Wise men from the East bought gifts to present to the greatest gift. Jesus gave himself as a gift so that a "great light would shine in the darkness" for us all. To bring "great joy" into a world that is consumed by trying to obtain our happiness in accumulating stuff. He stepped down from being God to be with us.

As we enjoy our Christmas spare a thought for the baby in the feed trough, born in the shed out the back of a motel so that we could see what real life was all about and be saved from a culture that promises so much but constantly fails to deliver real contentment.

The old book says, "For God loved the world so much that he gave His one and only Son so that whoever believes in Him will not perish but have eternal life."

Have a blessed Christmas!

★  
For  
God so  
loved the  
world He gave  
His one and only  
Son that whoever  
believes in Him shall not  
perish but have eternal life  
John  
3:16

## Staff Movements

Our loved librarian Cathy Walsh will be moving to Donvale Christian College next year to head up their primary library. This will be a great blessing for Donvale, and we wish Cathy all the best in that new school.

Many of you will be aware that Monica Olivier has accepted a position at another school and so will finish at Plenty Valley this year. Monica has been a stalwart of PVCC for many years and we will miss her greatly.

Late recruitment is an unfortunate aspect of the way schools work. We will be recruiting for the Library position and leadership of Senior Sub-School next year to make sure we get the right people. In the meantime, we have capable staff who will step into roles in the interim and we have been blessed with enough trained senior maths teachers keen to teach and support our senior students.

**John Metcalfe**  
Principal

## COMMUNITY NEWS

### CAMP AUSTRALIA

#### Parent Information Leaflet

#### Bookings for Outside School Hours Care are now open for 2020

So we can care for all students at your school, we do recommend families register an account with Camp Australia and always book in advance.

Why register? To attend our care, parents/guardians must register their child with us by completing an online enrolment form via our parent portal. It's very important that parents/guardians fill out all compulsory enrolment documentation for their child and notify us of any medical conditions, illnesses and other, to ensure the health and safety of all children in our care.

Families can register for free at <https://pp.campastralia.com.au/account/register-contacts>

A festive poster for a Christmas event. The top features a border of green pine branches with red berries and pinecones. The background is light green with white bokeh lights. The text is centered and reads: 'plentylife' in a stylized font with a tree icon; 'mernda and doreen anglican church' with the tagline 'discovering friends | encountering God | embracing life'; 'Community Christmas Carols' in large red cursive; '24TH DECEMBER' in bold red; '5:30PM PICNIC, 6:30PM CAROLS' in bold black; 'MERNDA VILLAGE GREEN - GALLOWAY DRIVE (OPPOSITE WOOLWORTHS)' in black; 'RAISING FUNDS FOR THE CFA' in red; 'SPECIAL APPEARANCE BY SANTA!' in white on a green banner; and 'plentylife.org.au' at the bottom. Logos for CFA and MADRA are also present.

OSHC now open!**

## Thanks for a fantastic year!

On behalf of the Outside School Hours Care Team, we'd like to send a huge thank-you out to both the children and parents that have used our service over the past year — without your constant trust and support, we wouldn't be here!

From construction challenges, arts & craft, water games and outdoor play, we've had a ton of fun getting to know your children through educator-led games, experiences and activities — and I'm sure they've all come out of the year with a bunch of wonderful memories and new skills that they'll have with them for life.

We also want to say a big thank-you to our 2019 leaders, for showing great initiative and for being role models to the younger kids in the Camp Australia family — you guys have been great!

So thank-you everybody for such an amazing year — whether you were a regular attendee, popped in to say hi, or used the service casually, you've all helped shape the Outside School Hours Care family and made it what it is today.

Finally, whether you were a Camp Australia member or not, we wish the Year 6 students all the best for their future and are eagerly looking forward to welcoming our new Camp Australia family members in the New Year! So, have a safe, happy and Holy Christmas and a relaxing break — we all need it!

If you have any questions at all about enrolling for 2020 please do not hesitate to contact our friendly Customer Care Team on 1300 105 343 who are available 24 hours a day, 7 days a week — except National Public Holidays. Or visit our website at

[www.campaustralia.com.au](http://www.campaustralia.com.au)

Have a Merry Christmas,  
*Stu, Dan, and Natalie*

**Safety • Meaningful • Innovative • Leadership • Education**

*we make kids smile*

## PRIMARY END OF YEAR ASSEMBLY

Please note a date change to the end of year final Primary assembly.

We welcome all families to attend the final primary school assembly for 2019 on **Thursday December 12<sup>th</sup> at 9am in the multi-purpose gym**. At this assembly, we will be presenting our new 2020 leadership team, acknowledging the contribution of our current leadership team, bid farewell to our Year 6 students and will present our term awards.

We look forward to a great end of year celebration.

## PRIMARY SPORT NEWS

### Physical activity over the summer holidays!

Did you know that the recommended amount of physical activity is 60 minutes every day for children? This can be broken up into smaller amounts throughout the day and should be moderate to vigorous intensity (you can't hold a conversation without being out of breath while doing the activity).

Meeting these guidelines has been shown to improve; memory, self-esteem, body confidence, happiness levels and overall wellbeing. Unfortunately, a recent study showed that over the Summer holidays 80% of children lose their physical fitness.

This is a great reminder to stay active over the upcoming Christmas season and holidays. There is also research to show that children who have parent's role model being regularly active are more likely to be active themselves and be active when they become adults.

Some suggestions of ways you can be active everyday with your child/ren are:

- Bike ride
- Head to a local park or playground
- Throwing a ball, frisbee or kicking a ball to someone
- Skipping rope
- Swimming pool or head to the beach
- Go for a run or join your local Parkrun
- Go Noodle for some dancing (online website)
- Get outside and play!

### Year 5/6 Summer Sport

Please see below results for each team and in brackets the player of the match:

#### **Round 13: 22<sup>nd</sup> November v Apollo A - AWAY**

Rounders – Lost (Sarah M)

Hot Shots Tennis Girls – Lost (Shaniya P)

Hot Shots Tennis Boys – Lost (Lewis N)

Cricket – Won (Sam C)

Basketball Girls – Won (Natasha W)

Basketball Boys – Lost (Lachlan S)

Volleyball Girls – Lost (Gianna B)

Volleyball Boys – Lost (Isaac D)

**Round 13: 29<sup>th</sup> November v Apollo B @ PVCC**

Rounders – Lost (Sophie R)

Hot Shots Tennis Girls – Lost (Ava G)

Hot Shots Tennis Boys – Won (Josh Y)

Cricket – Won (Gus G)

Basketball Girls – Won (Gabby M)

Basketball Boys – Won (Jude A)

Volleyball Girls – Won (Jenna C)

Volleyball Boys – Won (Angus W)

**SUMMER FINALS: 6<sup>th</sup> December**

Rounders – finished 5<sup>th</sup>

Hot Shots Tennis Girls – finished 6<sup>th</sup>

Hot Shots Tennis Boys – 4<sup>th</sup> (Finn B)

Cricket – 3<sup>rd</sup> (Isaac M)

Basketball Girls – 4<sup>th</sup> (Olivia G & Shelby E)

Basketball Boys – 4<sup>th</sup> (Lachlan S)

Volleyball Girls – finished 5<sup>th</sup>

Volleyball Boys – 4<sup>th</sup> (Isaac D)

**Sally Donaldson - Primary Physical Education & Sport Coordinator**

## PREP NATIVITY PLAYS

The Prep Nativity Plays have all been beautifully performed. So many highlights: the 'traffic jams' on stage as they headed off to Bethlehem, Joseph running off without taking his wife, inaudible verses with super loud choruses( Such an amazing thing!) . But oh, so precious.

Well done to all these wonderful little people for telling us about the first Christmas.

Big thank you to our morning and afternoon tea helpers.  
Enjoy the photos!

Bettina McMurray - Primary Music

## NEWS FROM SECONDARY SPORT

### YEAR 8/9 EISM Boys Indoor Cricket Premiers 2019 report

Well what a way to end the Indoor Cricket Season for Year 8/9 Sport. The boys came in as underdogs and managed to come up with an excellent bowling and fielding performance after a not so excellent batting performance. After losing to Huntingtower last year, the boys were thrilled to get over the line against them this year!

It's been a pleasure to watch these boys play each week!  
What an awesome group!

Final Score: 88-79  
Best on ground: Ethan Vellu

### YEAR 8/9 EISM BOYS' HOCKEY PREMIERS 2019

Congratulations to our Year 8/9 boys' hockey team on a 4-0 victory in the EISM Grand Final v arch rivals Bialik College at Elgar Park Box Hill.

Plenty Valley and Bialik have contested the last few grand finals at this level in recent years and we were always expecting a tough physical game. Our boys executed the game plan beautifully to score 2 goals in each half.

Captain Jeremy A was awarded the MVP by the Bialik coach. We had 4 different goal scorers which underlines our team passing game.

The Plenty Valley defence held Bialik to only a couple of goal shots that were ably dealt with by our keeper Ethan D.

Well done to all on a great season!  
Goals - Jeremy A, Jack R, Dany E, Levi S.

Helen Padget (coach)

## YEAR 8/9 EISM GIRLS' SOFTBALL RUNNERS UP 2019

The Year 8/9 girl's softball team had their grand final against Huntingtower on Thursday, November 28th. In a thrilling game the girls came up short by only 1 run! Losing 9-10.

Well done to the girls and their efforts batting and out in the field. Player of the game went to Amy for her pitching and a ripper catch that was hit back to her on the pitching plate.

Congratulations girls for making it to the final and many thanks to Sally Donaldson for coaching the team throughout the season!

Mathew Zammit (GF coach)

## NATIONAL CHAMPION FROM YEAR 8!

Congratulations to Charlotte from Year 8 who over the weekend gained the gold medal competing for Victoria in team karate!

Well done Charlotte you champ!!

---

## URGENT COLLEGE SPORT TOPS RETURN

CAN ALL OUTSTANDING PVCC SPORT TOPS THAT WERE LENT OUT PLEASE BE RETURNED ASAP!

We are particularly short of basketball tops.

## WANTED URGENTLY for 2020 - PVCC VOLLEYBALL UMPIRES

If anyone in our College community knows of a person with some experience in volleyball who may be interested in a paid position umpiring our PVCC inter school VBall matches from 1.30 - 2.30pm on either a Monday, Wednesday or Thursday (or all of them!) can you please let me know? Could suit a uni student, part time/shift worker or retiree.

Helen Padget

Head of Secondary Sport

[helen.padget@pvcc.vic.edu.au](mailto:helen.padget@pvcc.vic.edu.au)

# Technology Challenge

This year I had the privilege to attend the International Transforming Education Conference for Christian schools, with several other PVCC staff in the July holidays. While there, I was challenged by Chris Parker's presentation on what technology is doing to us as individuals and a society.

I shared his ideas with our staff and students in semester two, both in assemblies and weekly reminders in morning notices on SEQTA. Some of these notices have been reproduced below, to help support you in your parenting of children in a digital age. It's a challenge, but we're in this together as a community and with God's help. The latest information also helps.

*According to researchers, we are reducing our ability to think, imagine and remember, due to our increased use of technology. The more time we spend on our devices scrolling through vast amounts of information, the less we are able to think critically or creatively and remember detailed information. We are actively training our brains to discard information. Do you want to improve your brain's powers? Take the challenge to spend less time on your phones this week.*

Social media promotes the lie that everyone is happy. It does not promote telling the truth. Increasingly, people are putting more energy into creating the perfect online identity, rather than improving their real identity. But actually, God sees who we really are and cares about how we live, feel and think. How you live matters. The number of likes you have doesn't. If you do use social media (and remember you don't have to) challenge yourself to be more honest. Ask yourself: am I posting this to make me look good or to encourage others? Will this make others feel worse about themselves or better? Your actions matter.

*How many of you have messaged when you should have rung, or spoken to someone face to face? We've all done it and psychologists report a breakdown of the ability to relate properly to fellow people in society. Our ability to empathise with others has reduced and our ability to care only about ourselves, or be narcissistic, is on the increase. Jesus tells us to love our neighbours as ourselves. How real your connections are with others? The way we care for others matters. How often are you on your phone when you are with others? At lunchtime at school? When out with friends or family? What message are you sending to them? Take the challenge to put the phone down and really talk or listen to someone this week.*

Experts report that the ability to empathise with others is being reduced across society, particularly in younger people. There is a noted increase of intolerance for difference amongst our society. We need to make sure we talk to people and hear their stories, particularly stories of people who live different lives to us, have different views or come from different cultures. Having conversations with others builds empathy. In contrast, in our online lives, algorithms ensure that we are surrounded with information we agree with and our bias is always confirmed and not challenged. This lowers our ability to empathise with others. Jesus challenged us to love our neighbour as ourselves. We can't do that without empathy. Have some conversations this week where you actively listen to someone else's story. Go on, do it.

If you are interested in reading more, Chris Parker's book *The Frog and the Fish* is a great read. Blessings upon your parenting.

**Kate Rees**

**Secondary English and Literature Teacher**

## CAREERS NEWS

### Dates to Diarise

**VET Students** – All VET classes will begin on the first week back – the week of 3<sup>rd</sup> February 2020 unless specified by the VET provider. Please ensure students are aware of their VET Host School and the day and times of their classes.

**VCE Parent Information evening** – Thursday 6<sup>th</sup> February, 2020.

**DURATION:** 24 sessions, 2 workshops + 100 hr placement  
**TIME:** 9.15am to 3.15pm  
**VENUE:** Merrilands Community Centre

**Outside School Hours Care**

**What is OSHC?**

OSHC stands for Outside School Hours Care. An OSHC service provides education and care for primary school-age children (generally aged 5 to 12 years) outside school hours and during school holidays. Depending on your school, it can cover Before School Care, After School Care and Vacation Care.

**Why would OSHC suit your family?**

At Camp Australia, our vision is 'to support all families in achieving their dreams'. We're here to support families and there are many ways we're doing it.

<p>We offer the peace of mind to families by providing education and care service outside school hours. Families can then manage their work, training, study or other types of responsibilities stress free knowing that their children are looked after during these hours.</p>	<p>At OSHC, children have the opportunity to interact with friends, learn like skills, practice their social skills, feel happy and relaxed, all in a multi-age environment. We offer a safe space where children want to be present and where you are happy for them to be.</p>	<p>Eligible families can reduce the cost of care with a Government subsidy. This amount depends on your family circumstances. For more information simply log into MyGov and complete your Child Care Subsidy Assessment.</p>
<p>Built on our fundamental passion for children, we pride ourselves on delivering engaging programs that further develop the confidence, independence and imagination of all the children in our care.</p>	<p>Your OSHC service is also an integrated part of your school community. We tailor our program to your school's vision and values and also to your children's interests and needs. Our team of qualified Educators works closely with you and your school's teachers to deliver seamless transition to and from the classroom environment. Whether your child has social, cultural, language-based, religious or individual needs, we work with you to see how we can best support their unique needs.</p>	

**Our unique approach to programming**

As the most experienced OSHC provider, we have become experts in delivering extra-curricular learning outcomes for children. Enrichment, sport and activities are part of our unique programming approach which is customised for your children.

All these activities have carefully designed learning outcomes, aligned with the My Time, Our Place - Framework for School Age Care in Australia developed by The Council of Australian Government. They are tailored to the individual needs and interests of each child who attend. A week in After School Care could have children create their own magnifying glass and binoculars or make their own compost bins from recyclable materials, learning all about sustainability

and how to leave the world for future generations along the way. Or Children could be cooking dishes from around the world or setting up an indoor campfire and share stories about themselves and learn about each other, while building their sense of identity.

Every OSHC session also offers children the choice between different zones should they not want to participate in the proposed activities. Sports, Construction, Art and Craft, Homework, Mindfulness, Games, the options are there.

In summary, while each day is different and offers a varied range of fun and engaging activities, we believe that there are three ingredients for a great program:

1. Creating a welcoming space for the children. We make sure that our OSHC rooms are tidy and organised with an atmosphere that encourages children to learn and have fun.
2. Conducting an engaging program where every child can learn new things and foster new friendships.
3. Having a great team of qualified Educators who are part of the school community.

If you want to know more about our OSHC program, speak to the Coordinator at your service who will be happy to take you through the detailed program for the service and answer any questions you may have.

You can also visit [www.campastralia.com.au](http://www.campastralia.com.au) to search for your school's service page and find out more.
