College commitment

Plenty Valley Christian College is committed to providing a playground which is a place where children can learn, play and develop their skills and imagination in a safe and secure environment.

Management priorities

This College will ensure that:

- children's skills and behaviour are considered in the design of the playground
- all playground equipment is in compliance with legal requirements
- the management system for College playgrounds is based on Australian Standards
- equipment is installed and positioned safely
- appropriate soft fall surfaces are provided
- equipment and soft fall is inspected regularly
- the playground area is kept clean and clear of hazards
- playgrounds are supervised during designated times
