## Selection of Bus Routes

Please refer to the PVCC website for current bus timetables and maps via the following link:

<http://www.pvcc.vic.edu.au/Find-Out/Students/>.

If your family will start using the PVCC bus service or if you require any changes to your present arrangements, please confirm your bus travel requirements by completing and submitting this form to the Business Office.

***If your current bus arrangements are remaining the same as for 2020, there is no need to resubmit this form. New students and/or siblings commencing enrolment in 2021 will require a Bus Application 2021 form to be submitted.***

## One Bus Route per Student

A student may only be allocated one bus route. If a student needs to travel on a different bus, a casual bus pass must be arranged at the Business Office per trip.

## Annual Bus Travel Fees

Bus Fares	With Conveyance Allowance	Without Conveyance Allowance
Return Trip	\$1,260	\$1,825
One Way	\$620	\$1,030
Casual (Per Trip)	\$6.00	\$6.00

## Conveyance Allowance

A conveyance allowance is paid for students who meet various conditions, including that PVCC is the nearest 'like' school and that students live more than 4.8kms from the College. **Application forms are available on the PVCC website.** Once approved the bus travel conveyance allowance is paid directly to the College and the student will be charged the bus fare inclusive of the conveyance allowance. The car conveyance allowance received on successful application for students travelling to the college via private vehicle will be credited to the family account.
