REFEREE:

Christian values and principles have given guidance and meaning to generations of people, and this college originated in the desire of the Christian community to provide a formal education in a Christian context. In asking for admission to this college, you are seeking to enter a community that holds the Christian faith as foundational. Plenty Valley Christian College operates as a company with a Constitution and Statement of Christian faith. Copies are available upon request. In view of the above it would be helpful if you are able to provide the college with the name of a referee who, if asked, is able to comment on your commitment to the Christian faith. Otherwise, the name of a person able to comment on your family's relationships and character, and on your work in your local community, would be of assistance.
