

2022 schedule of fees

Enrolment fees

A once only non-refundable enrolment fee of \$500.00 (for new families) is payable to accept an offer of enrolment; this includes Kinder students.

In addition to the family enrolment fee, on accepting an offer of enrolment for students in prep to year 12, families pay a \$1,000 upfront holding fee per student. This is credited to the family account in term 4 of the same year of commencement provided the student commenced before end of term 2, otherwise it will be credited to the account in term 4 of the following year. For all other students, the holding fee will be credited at the latest by 30 November in the applicable year. If a student is being withdrawn from the college, this amount will not be refunded where one term's notice has not been given.
