Policy	1.7	24/05/2023

#### **PURPOSE**

This policy will provide a framework for:

- the development of specific emergency and evacuation procedures, practices and guidelines at Plenty Kids Early Learning Centre
- raising the awareness of everyone attending Plenty Kids Early Learning Centre about potential emergencies and appropriate responses.

#### **POLICY STATEMENT**

#### **Values**

Plenty Kids Early Learning Centre is committed to:

- providing a safe environment for all children, staff and persons participating in programs at Plenty Kids Early Learning Centre
- having a plan to manage emergencies in a way that reduces risk to those present on the premises
- ensuring effective procedures are in place to manage emergency incidents at the service
- ensuring an appropriate response during and following emergency incidents to meet the needs of the children, their families, staff and others at the service
- informing parents/carers how communication will be provided in case of emergency.

### Scope

This policy applies to the Approved Provider, Persons with Management or Control, Nominated Supervisor, Persons in Day to Day Charge, Early Childhood Teachers, educators, staff, students on placement, volunteers, parents/carers, children and others attending the programs and activities of Plenty Kids Early Learning Centre, including during offsite excursions and activities.

Refer to attached Plenty Kids Early Learning Centre Emergency Management Plan.

### **Background and legislation**

#### **Background**

The Education and Care Services National Regulations 2011 define an emergency in relation to an education and care service as any situation or event that poses an imminent or severe risk to the persons at the service premises e.g., flood, fire or a situation that requires the service premises to be locked down.

Comprehensive emergency management includes prevention, preparedness, response and recovery. Services are required to have policies and procedures in place detailing what needs to be done in an emergency, including an emergency and evacuation floor plan. These policies and procedures must be based on a risk assessment that identifies potential emergencies relevant to the service (*Regulation 97*).

Early childhood services have a duty of care to all attending the facility including the children, staff, volunteers, students, visitors, and contractors. It is also a requirement under the *Occupational Health and Safety Act 2004* that employers provide a healthy and safe environment for all persons who access the service's facilities and/or programs.

All services in Victoria are required to have an Emergency Management Plan (EMP) (*refer to Definitions*) as part of their everyday operations and are required to regularly rehearse their emergency and evacuation procedures (*Regulation 97*). They must:

- Rehearse the procedures every 3 months and document it,
- Involve everyone present at the service at the time of the rehearsal. This includes all staff members, volunteers, children and the responsible person who is present at the time of the rehearsal.

A copy of the service's emergency and evacuation policy and procedures must be available for inspection at the service premises at all times or on request.

DET provides Emergency Management Plan Guidelines and an Emergency Management Plan template (*refer to Sources*) to assist services to develop and review their EMP (*refer to Sources*). A copy should also be attached to this policy.

#### **Legislation and Standards**

Relevant legislation and standards include but are not limited to:

- Education and Care Services National Law Act 2010
- Education and Care Services National Regulations 2011 including Regulations 97, 98, 168(2)(e)
- National Quality Standard, including Quality Area 2: Children's Health and Safety Occupational Health and Safety

#### **Definitions**

The terms defined in this section relate specifically to this policy. For regularly used terms e.g., Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

**Country Fire Authority (CFA):** CFA respond to a variety of fire and emergency incidents. They are also involved in a range of other activities including:

- fire safety building inspections
- delivering community awareness, education and safety programs
- post-incident analysis and fire investigation
- fire prevention planning and land use planning at a municipal level.

**Bushfire at Risk Register (BARR):** Kindergartens and childcare facilities assessed to be at the highest risk of fire are placed on the department's BARR. Inclusion on this register is a trigger for the kindergarten or childcare facility to preemptively close on days determined Catastrophic in their Bureau of Meteorology district, as well as other pre-emptive and preparedness actions in line with their fire risk category.

**Emergency drill/rehearsal:** A process to rehearse anticipated emergency scenarios or events, designed to help clarify roles and responsibilities, provide training and verify the adequacy of the emergency response.

**Emergency Management Plan (EMP):** A written set of instructions for the service to prepare for and respond to emergencies. A guide to preparing an emergency plan and an Emergency Management Plan templates are available on the DET website *(refer to Sources)*.

**Emergency services:** Includes ambulance, fire brigade, police and state emergency services.

**Evacuation floor plan:** An evacuation plan is used where it is deemed necessary to evacuate the immediate area or building to ensure the safety and wellbeing of children and adults. It may also have the name 'evacuation diagram'.

**Evacuation route:** Continuous path of travel (including exits, public corridors and the like) from any part of a building to a safe place.

**Fire Rescue Victoria (FRV):** (previously known as Metropolitan Fire Brigade) respond to fires, complex rescues, road crashes, emergency medical calls and hazardous chemical spills. The FRV aims to reduce the incidence and impact of fire and other emergencies on the community. This is achieved through the delivery of educational strategies that assist the community to become more self-reliant, including:

- delivering expert fire and rescue services to the community they serve
- driving systemic change to the built environment through reforms to building design, regulations and legislation,
   and
- educating the community through fire prevention programs that improve community safety and build resilience.

**Hazard:** A source or situation with a potential for harm in terms of human injury or ill health, damage to property, damage to the environment or a combination of these.

v 1.7 2023 Page **6** of **9** 

**Mandatory Quality area 2** 

**Incident Management Team (IMT):** Is the group of incident management personnel comprising of the incident controller and other personnel appointed to be responsible for the functions of operations, planning, and logistics.

**Lock down:** A security measure taken during an emergency to prevent people from leaving or entering a building or premises until the threat or risk has been resolved.

**Planned closure:** services identified as being at high fire risk and on the DET's Bushfire At-Risk Register will close on days determined to have a fire danger rating of Code Red by the Emergency Management Commissioner. Where possible, four to seven days' notice of a planned closure will be provided. Services not on the Department's Bushfire At-Risk Register will remain open, unless directly threatened by fire or another emergency.

**Risk management:** A structured approach to managing uncertainty related to a threat; a sequence of activities including the identification, assessment and prioritisation of risks followed by co-ordinated and economical application of resources to minimise, monitor and control the probability and/or impact of those risks.

WorkSafe Victoria: The manager of Victoria's workplace safety system. WorkSafe Victoria:

- strives to prevent workplace injuries, illness and fatalities
- provides benefits to injured workers and helps them to return to work
- enforces Victoria's occupational health and safety laws
- provides reasonably priced workplace injury insurance for employers
- provides an emergency response service 24 hours per day.

#### **EVALUATION**

To assess whether the values and purposes of the policy have been achieved, the Approved Provider will:

- review the policy to determine whether it adequately addresses a range of potential emergencies
- regularly seek feedback from everyone affected by the policy regarding its effectiveness, particularly following an emergency
- review procedures, including evacuation procedures, to determine their effectiveness, including timing and processes
- use information gained from checks on documentation and practices and the *Incident, Injury,* Trauma and Illness Record to inform proposed changes to this policy
- revise the policy and procedures as part of the service's policy review cycle or as required by legislation, research, policy and best practice
- consult with emergency services such as the MFB and CFA to ensure the policy and procedures meet current best practices
- notify parents/guardians at least 14 days before changing this policy or its procedures unless a lesser period is necessary because of a risk.
